MEMORANDUM FOR: Deputy Director, DPS/DCI

30 December 1958

SUBJECT : Final Meeting with [REDACTED]

REFERENCE : Memorandum for the Record, dated 12 December 1958, from Deputy Director, DPS/DCI (Chal-0470)

In paragraph 2 of reference you mentioned three matters which remain unsettled after our first meeting with our [REDACTED] visitors. These were: cover stories, news releases, and [REDACTED] arrangements. I have the impression from recent cable traffic that our arrangements about cover stories and news releases are still somewhat unsettled. Could you let me know at your convenience whether any more unfinished business on these matters requires my attention. Perhaps the subject of cover stories and news releases in relation to [REDACTED] would be an appropriate subject for a brief report at our next staff meeting since several Headquarters Sections need to know exactly what our agreed procedures are.
